

§0.465

(6) Disclosure of the records or the testimony could interfere with ongoing Commission enforcement proceedings or other legal or administrative proceedings, compromise constitutional rights, reveal the identity of an intelligence source or confidential informant, or disclose trade secrets or similarly confidential commercial or financial information.

(f) The General Counsel, following consultation with the Managing Director and any relevant Commission Bureau or Office, is authorized to approve non-privileged testimony by a present or former employee of the Commission or the production of non-privileged records in response to a valid demand issued by competent legal authority, or a request for records or testimony received under this section, and to assert governmental privileges on behalf of the Commission in litigation that may be associated with any such demand or request.

(g) Any employee or former employee of the Commission who receives a demand for records of the Commission or testimony regarding the records or activities of the Commission shall promptly notify the General Counsel so that the General Counsel may take appropriate steps to protect the Commission's rights.

(Secs. 4(i), 303(r), Communications Act of 1934, as amended, 47 U.S.C. 154(i) and 303(r); 5 U.S.C. 301; 47 CFR 0.231(d))

§0.465 Request for copies of materials which are available, or made available, for public inspection.

(a) The Commission awards a contract to a commercial duplication firm to make copies of Commission records and offer them for sale to the public. In addition to the charge for copying, the contractor may charge a search fee for locating and retrieving the requested documents from the Commission's files.

NOTE TO PARAGRAPH (a): The name, address, telephone number, and schedule of fees for the current copy contractor are published at the time of contract award or renewal in a public notice and periodically thereafter. Current information is available at <http://www.fcc.gov/foia> and <http://www.fcc.gov/cgb>. Questions regarding this information should be directed to the Reference Information

(b)(1) Records routinely available for public inspection under §§0.453 and 0.455 are available to the public through the Commission's current copy contractor. Section 0.461 does not apply to such records.

(2) Audio or video recordings or transcripts of Commission proceedings are available to the public through the Commission's current copy contractor. In some cases, only some of these formats may be available.

(c)(1) Contractual arrangements which have been entered into with commercial firms, as described in this section, do not in any way limit the right of the public to inspect Commission records or to retrieve whatever information may be desired. Coin-operated and debit card copy machines are available for use by the public.

(2) The Commission has reserved the right to make copies of its records for its own use or for the use of other agencies of the U.S. Government. When it serves the regulatory or financial interests of the U.S. Government, the Commission will make and furnish copies of its records free of charge. In other circumstances, however, if it should be necessary for the Commission to make and furnish copies of its records for the use of others, the fee for this service shall be ten cents (\$0.10) per page or \$5 per computer disk in addition to charges for staff time as provided in §0.467. For copies prepared with other media, such as computer tapes, microfiche, videotape, the charge will be the actual direct cost including operator time. Requests for copying should be accompanied by a statement specifying the maximum copying fee the person making the request is prepared to pay. If the Commission estimates that copying charges are likely to exceed the greater of \$25 or the amount which the requester has indicated that he/she is prepared to pay, then it shall notify the requester of the estimated amount of fees. Such a notice shall offer the requester the opportunity to confer with Commission personnel with the object of revising or clarifying the request.

NOTE TO PARAGRAPH (c)(2): The criterion considered in acting on a waiver request is

whether “waiver or reduction of the fee is in the public interest because furnishing the information can be considered as primarily benefiting the general public.” 5 U.S.C. 552(a)(4)(A). A request for a waiver or reduction of fees will be decided by the General Counsel as set forth in §0.470(e).

(3) *Certified Documents*. Copies of documents which are available or made available, for inspection under §§0.451 through 0.465, will be prepared and certified, under seal, by the Secretary or his or her designee. Requests shall be in writing, specifying the exact documents, the number of copies desired, and the date on which they will be required. The request shall allow a reasonable time for the preparation and certification of copies. The fee for preparing copies shall be the same as that charged by the Commission as described in §0.465(c)(2). The fee for certification shall be \$10 for each document.

(d)(1) Computer maintained databases produced by the Commission and available to the public may be obtained from the FCC’s Web site at <http://www.fcc.gov> or if unavailable on the Commission’s Web site, from the copy contractor.

NOTE TO PARAGRAPH (d)(1): The Commission awards a contract to provide the public with access to FCC databases from the copy contractor. See note to paragraph (a) of this section.

(2) Copies of computer generated data stored as paper printouts or electronic media and available to the public may also be obtained from the Commission’s copy contractor (see paragraph (a) of this section).

(3) Copies of computer source programs and associated documentation produced by the Commission and available to the public may be obtained from the Office of the Managing Director.

(e) This section does not apply to records available on the Commission’s Web site, <http://www.fcc.gov>, or printed publications which may be purchased from the Superintendent of Documents or private firms (see §§0.411 through 0.420), nor does it apply to application forms or information bulletins, which are prepared for the use and information of the public and are available upon request (see §§0.421 and 0.423) or

on the Commission’s Web site, <http://www.fcc.gov/formpage.html>.

(f) Anyone requesting copies of documents pursuant to this section may either come in person to the Commission (see §0.460(a)) or request that the copy contractor fulfill the request. If a request goes directly to the contractor, the requester will be charged by the contractor pursuant to the price list set forth in the latest contract.

§0.466 Definitions.

(a) For the purpose of §§0.467 and 0.468, the following definitions shall apply:

(1) The term *direct costs* means those expenditures which the Commission actually incurs in searching for and duplicating (and in case of commercial requesters, reviewing) documents to respond to a FOIA request. Direct costs include the salary of the employee performing the work (the basic rate of pay for the employee plus twenty percent of that rate to cover benefits), and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses, such as costs of space, and heating or lighting the facility in which the records are stored.

(2) The term *search* includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material contained within documents. Such activity should be distinguished, however, from “review” of material in order to determine whether the material is exempt from disclosure (see paragraph (a)(3) of this section).

(3) The term *review* refers to the process of examining documents located in response to a commercial use request (see paragraph (a)(4) of this section) to determine whether any portion of a document located is exempt from disclosure. It also includes processing any documents for disclosure, e.g., performing such functions that are necessary to excise them or otherwise prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of FOIA exemptions.

(4) The term *commercial use* request refers to a request from or on behalf of
